La Torre Golf Resort

Nr. Balsicus, Murcia

The La Torre Golf Resort is an exclusive 5 star Polaris World resort with a superb golf course designed and built by Jack Nicklaus, within easy reach of the Mar Menor's white sand beaches and the historic city of Murcia. This 18 hole, par 68 golf course is surrounded by apartments and townhouses which either look out over the greens and fairways, or into the resort over the communal pools and extensive manicured gardens

At the resort's heart there is a village complex designed to imitate the style and community feel of a Spanish fishing village. This complex includes spas, fitness centre, a complex of swimming pools, tennis courts, kindergarden, supermarket with home delivery, cash machines, shops of various types, a wide range of bars and restaurants and a 5 star hotel.

The resorts golf club offers facilities including a driving range, putting and chipping greens and a fully stocked pro-golf shop.
